Sibby,

I know this year has been a wonderful year for you, because you got to know me. I can't imagine what it's like to have such a beautiful person like me as your friend because all I have is you + Ben (the made mistake) No but seriously I am really glad we all got to be friends and I hope that all 3 of us can stay friends forever. Even if by some bad misfortune we all don't stay close friends I will have some great, great memories. Like all the hell at "T's". I was considered a nice girl till then!!! But then I decided what the hell you only live once. Then there was the first night at Yiguna Beach, well it's not so write that. You and Jerica really introduced me to some weird ass people but they cool and fun and a little on the vulgar side but now that I know them better I can also see their good side, but I'll tell you the truth the first time I went in Tom's I didn't know whether to shit or go blind. Then there was the groovy Daddy T.J. but he did serve one purpose. He showed me Valerie's true face that before I wasn't willing to see, so all in all it was for the best, but let's move on -> cont. page 4

Indian River High School
2301 Dunbarton Road
Chesapeake, Virginia 23325
Volume 13

An aerial photograph of Indian River High School. The main building is a large, modern structure with a flat roof and several wings. To the left of the building is a large parking lot with many cars. Further left, there are several tennis courts. To the right of the building is a basketball court. The school is surrounded by trees and a road. The sky is overcast.

As the class of 1979 walks these halls for the last time, each and every Senior is filled with feelings of happiness and sorrow. It was not long ago when the thought of graduation seemed an eternity. But during that final march, each of us will look back—and "reminisce" about the great times we had.

If I live to be 100 years old I'll never
 forget our flash night. That night I think
 I laughed enough for a life time. Even
 though I was called a
 few things for that little
 expedition of chest, it was
 fun and I'll probably do
 it again. Now for a little
 piece of advice don't be
 giving it up so easily!!!
 Also don't bounce in "T's"
 and try to change because
 there is always
 a screw to get
 every lock. There
 are so many times
 to talk about like
 4 cups in the
 flooded street. Or a
 long walk in S. N. is
 always nice on a summer
 night. We have had
 some good old times in
 the short while we've
 been friends just think
 what all we'll be able to
 say in your senior
 annual. Well there isn't too much
 more I can cover except I hope you
 succeed in your endeavor to re-
 capture David because you deserve
 him, he may not however de-
 serve you but then again who does.
 Of course for me I hope I get

gphm, but with my terrific personality I should have no problem. As for Bear I hope she gets that chick she wants. I like Bear and all but this crawling she has for other females is somewhat hard to bear. ~~Ha Ha Ha Ha~~ I really like you

Libby you kinda remind me of the Ymca all the young boys go there for amusement!!! ~~Ha Ha~~ No really I hope you succeed in your life time dream of becoming a first rate doctor, I mean nurse. Many men will be pleased which ever you do. I do hope that

some day U + me + bear get that place together we could groove all the time and if I can ever look you + Bears faults you

and she can live with my perfection I am only kidding I really think I'm dirt, seem a low life. ~~Ha Ha~~ No really I think you + Bear are about the best friends a person can have and I really value your friendship I hope it doesn't all end over Tammy Brice!!! ~~Ha Ha~~ No really now your groovey and I dig you all place, swing and rock, out!!! have a good summer with me!!!

424-4759 don't tell me you lost it.

Bye Bye Introduction 5 Page 6

P. S. I almost forgot
 you'll got to be giving
 up that Boo Boo because
 Preston wouldn't say
 Boo hoo for Boo Boo
 we'd say Ya hoo for
 Libby's Boo Boo, also
 I'm going to get a
 truck so all three
 can ride shotgun.

With Love And Appreciation, The 1979 Sequoyah

There is one teacher at Indian River who never fails to give her all for her students because she believes, "Our students are basically good." This year the annual is dedicated to this outstanding teacher. She is . . . Mrs. Vivian M. Duke.

Mrs. Duke teaches English and supervises the publication of the annual. This past summer she also accompanied several students to England through the school's foreign exchange program. Her efforts have resulted in the production of a first rate annual for the last 3 years. She spends many hours before and after school and on weekends working with the staff to meet deadlines. Yet she allows each member to put a little of himself into each page.

By demanding high standards for herself and others, Mrs. Duke has earned the love and respect of many. She was named Chesapeake Teacher of the Year 1977-78 for her 23 years of teaching. As we reminisce about our high school years, we will always remember Mrs. Duke with appreciation. For this and many other reasons, we the Seniors of Indian River proudly dedicate the 1979 *Sequoyah* to Mrs. Vivian M. Duke.

Is Dedicated To Mrs. Vivian M. Duke

- 1/ Mrs. Duke teaches several English courses.
- 2/ Mrs. Duke devotes many hours to classroom instruction.
- 3/ A moment of contemplation.
- 4/ Mrs. Duke always has a smile for her students.
- 5/ Mrs. Duke helps Mike Stillman with his composition.
- 6/ Mrs. Duke is always available to offer a helping hand.

Seniors Will Always Remember

The Junior-Senior Prom was sponsored by the Junior Class of 1978. The title of the prom was "Welcome to the Orient." The prom was formal and the band that played was Fat Ammons. The decorations for the prom were done by students attending I.R.J.H. and I.R.H. The walls were covered with oriental art and the food was Oriental as well. The prom began at 8:00 P.M. and lasted until 12:00 P.M. Couples then went to dinner, breakfast parties, or wherever they wanted to spend the evening. All in all, everyone seemed to have a great, as well as memorable, time.

- 1/ Fat Ammons was the band for the Junior-Senior Prom.
2/ LeAnne Walker "stepping out."
3/ The dance floor was never left empty.

Their First Oriental Prom

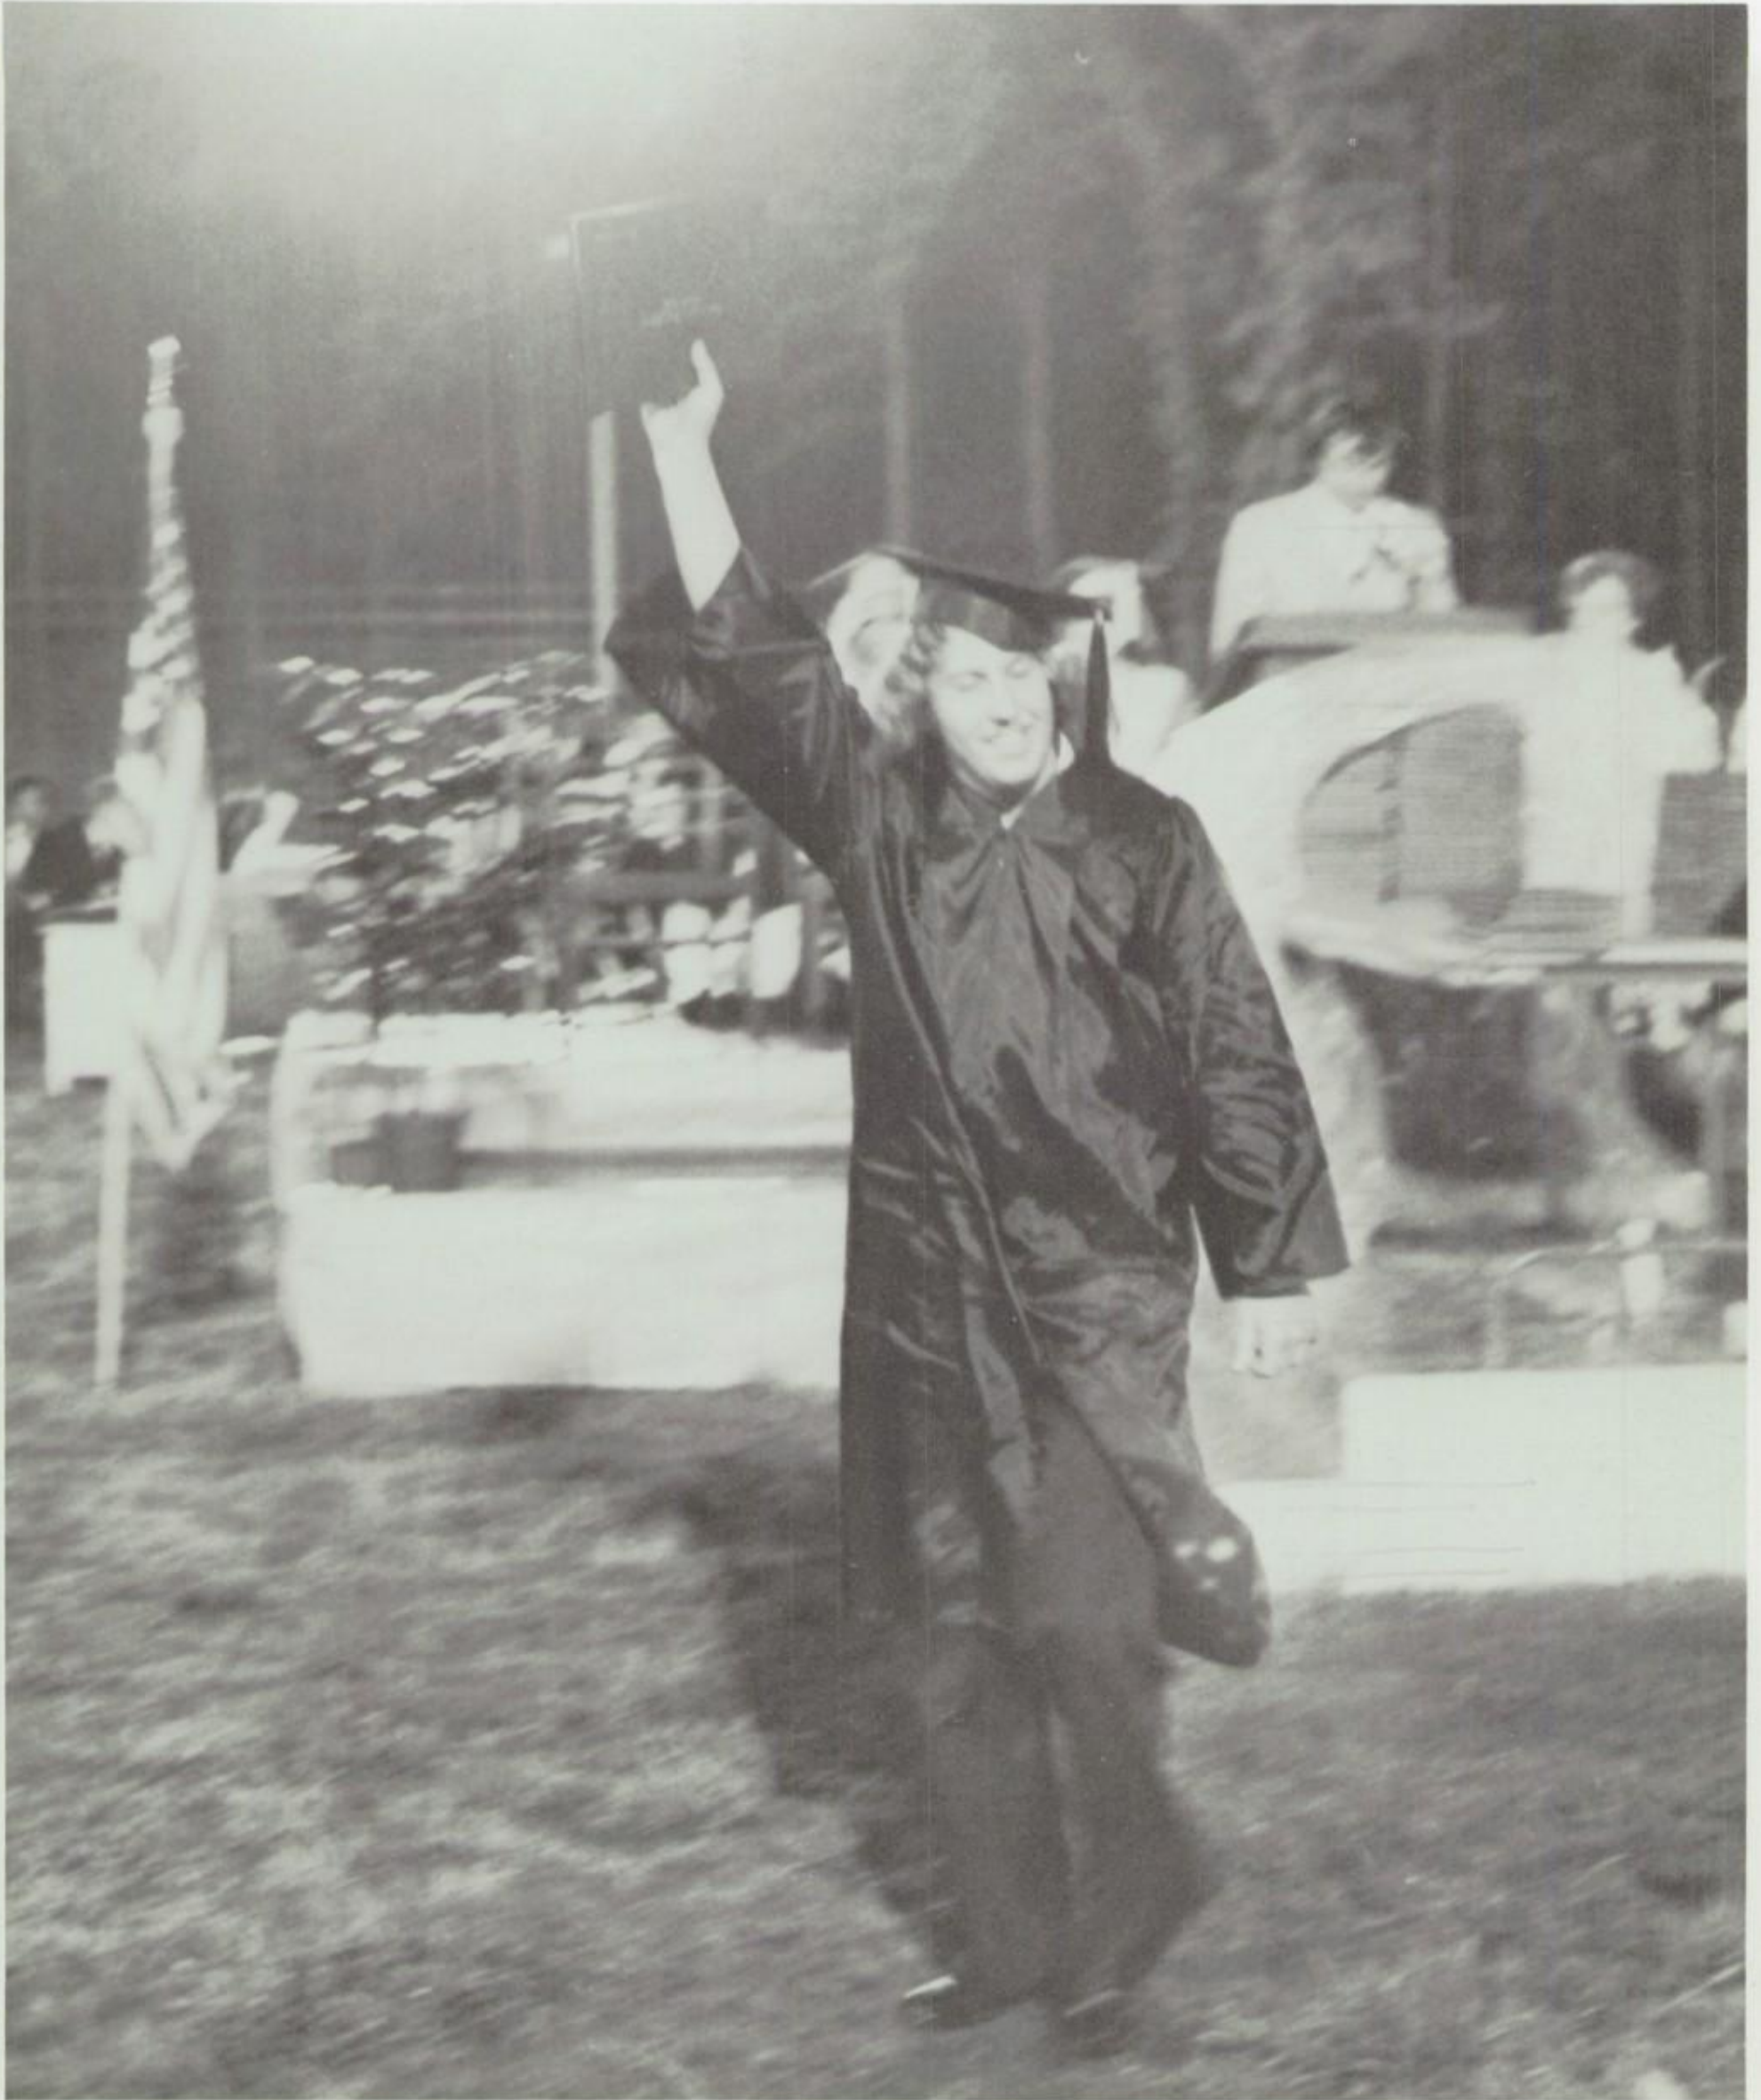

1/ Prom Hosts/Hostesses: Joey Rainey, Cathy Gray, Wesley Chen, Sharon Jones.
2/ Cheryl Summers gets into disco dancing.
3/ Eating and socializing seemed to be on everyone's mind.

“The Memories Come Along . . .

Older Times We're Missing . . ."

A typical day at Indian River begins at 8:50 a.m. At this time the minds of many tune-in to their lessons until 3:08 p.m. Our relatively quiet 50 minute class periods, soothing 15 minute homeroom periods, and noisy 25 minute lunch bells are full of eager and willing students. With a full day, students engage in extra curricular activities before and after school.

In addition to preparation courses for college bound students, Indian River offers courses in marketing. For example, Distributive Education and Industrial Cooperative Training are courses included in marketing. Business courses are also included in marketing for those who wish to pursue a business career in typing, general business, and accounting.

For those interested in cultural studies, drama, humanities, art, and communications are offered.

SCA Sponsored

The S.C.A., under the leaderships of Ms. Linda Bull, has had many successful events. The Homecoming Parade and Dance, and The Christmas Grinch Contest were two of the activities sponsored by the S.C.A. This year's parade was called "The Children's Hour." The club members were dressed in costumes depicting storybook characters and paraded around the field at half time. The student body had to pick this year's Christmas Grinch. They nominated a teacher who would best fit the bill.

All of the students at Indian River High are a part of the S.C.A., and they will help make this year's S.C.A., the best ever.

Helpers Help Out

Student helpers ease the load of the secretaries, counselors and librarians through their work in the media center, the main office, and the guidance offices. Student helpers run errands, answer phones, and check out books to assist others in their everyday task. They are all students that volunteered their free period to lend a helping hand. The experiences that the helpers received will be invaluable to them in the future.

Dedication And Hard Work

The Marching Braves began practicing for their "1978" fall season after school let out for summer vacation. The different groups in the band attended classes on certain days of the week and were brought together at the end of a summer at band camp at Chowan College in North Carolina.

From August 13th through the 18th the Marching Braves diligently worked, sometimes 10 hours a day, in order to prepare themselves for their upcoming season.

The Band kicked off the football season with their entertaining half-time shows. The Band also participated in many other activities such as the State Fair Marching Band Contest where they received a superior rating; and drum line, 2nd place. They went on to the Old Dominion Dixie Classics where they received awards for Best Marching and Manuevering: 3rd place band, and 1st place majorettes. They did a host-performance at the 4th annual Tidewater Festival of Marching Bands. The band ended up their marching season with a trip to the Green Central Contest in Snow Hill, N.C. and to the O.D.U. Marching Contest where they received 3rd place band, and 1st place majorettes.

Chorus Sings The Songs

Hey, do you like good music? The Choral Department, under the direction of Mrs. Mildred Barnett, presented concerts throughout the year that were really great.

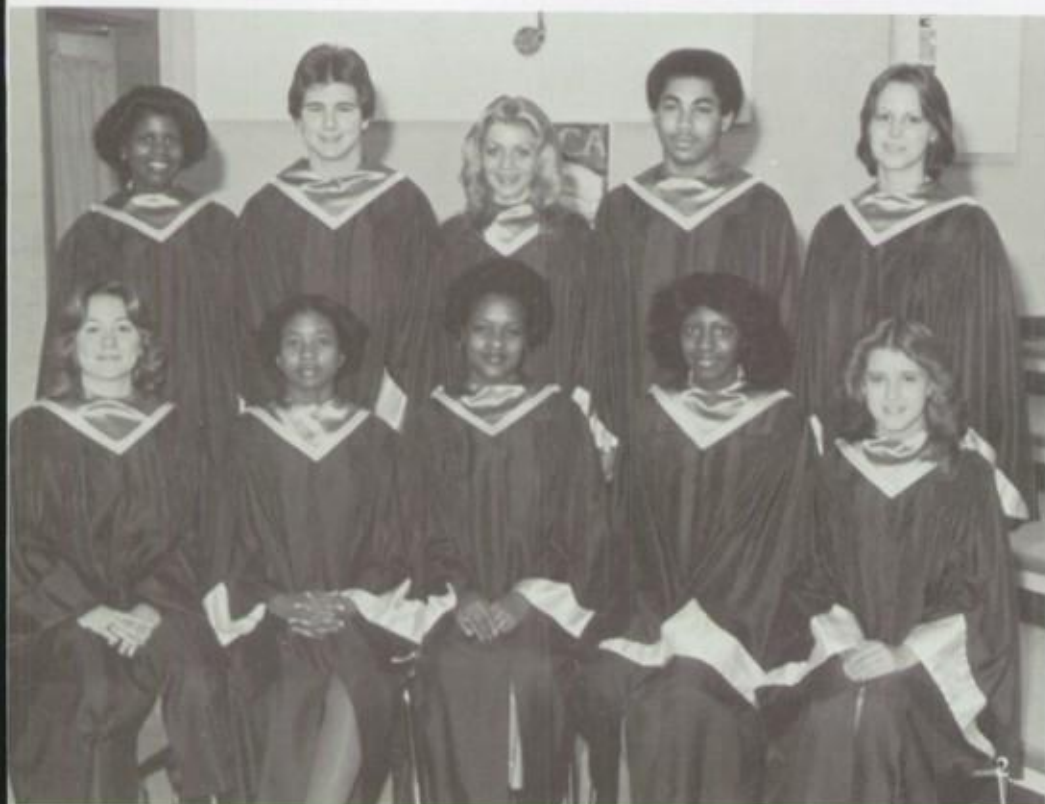

First, came the Pop Concert in November featuring songs of today and yesterday.

During Christmas the chorus went to McDonalds, The Optimist Club, College Park Shopping Center, and the teachers' meeting to bring Christmas music; not to mention the Christmas Concert held on December 11.

To raise money for the chorus trip, members sold M&M's, donuts, and had bake sales to feed hungry faculty and students.

Clubs That Prepare

The Future Business Leaders of America celebrated another year of learning about how the business world works. The club members are students who take part in the business and office courses offered at I.R. During the year, many guest speakers lectured to members on various business-related subjects. Some members had the good fortune to participate in regional and state competition, testing their ability to perform office skills.

The Future Homemakers of America's main goals are to help its members improve the community, personal and family living, as well as to develop leadership ability.

Hero is a Home Economics Related Occupations Club. This organization was formed to further its members' interest in the home economics cooperative education program.

For The Future

Vous etes faim? Oui was the answer of the chez Nous members to many of the tempting French dishes they were served at LaCrepe Restaurant. Under the directions of Ms. Lawrence the students learned about the French people and their day-to-day routines.

Que pasa? Everything is happening in the Spanish Club. Members of the club had different activities planned throughout the years, such as programs featuring lectures in the language and a banquet consisting of a Spanish cuisine. Students who took the language sometimes could be found in their classes preparing food for a Taco Fiesta.

AFJ ROTC Provides

The Air Force Junior ROTC more commonly known as Aero-space Education, provides learning experience for students to realize the significance at aerospace achievements. It also tries to develop improved attitudes at personal integrity, discipline, and patriotism.

ROTC is a blend of science, technical courses, work, training in drill and ceremonies and the elements of leadership. Our Indian River AFJROTC students are a "service" minded organization and can be seen acting as guards during PTA Open House, directing traffic for the Tidewater Band Festival, and providing color guards for football and basketball games, and many civic affairs.

You have probably seen them in the Veteran's Day Parade, and the Portsmouth and Great Bridge Christmas Parade. Annually they have captured trophies at the All-Chesapeake JROTC Field Day. But all this week is interphased with other interesting activities which include field trips, cook-outs, and the diving-in.

Hard to Achieve

The Boys' Monogram Club consists of lettering athletes who have been carefully screened. This is an all male club that takes in new members every year. The members can be found working at all home basketball and football games, also, the wrestling matches. This club often obtained challenges from their sister club (The Girl's Monogram Club) in such things as basketball games and other competitive activities. The Pep Club one of our newest clubs, is trying hard to foster good school spirit.

Team Spirit, Cooperation,

Varsity Basketball players had a good year. Indian River had the largest basketball squad in the District, with seventeen players. Usually twelve different players got to play during a game. Sometimes the team only got one hour of practice evenings because other sports' teams had to use the gymnasium as well. However, when the gymnasium was not in use by some other team, the basketball players would start their practices at 5:30 P.M. and continue until 8:00. This dedication brought us a record of which all Braves are proud.

Administration

Under the able leadership of Mr. Herbert A. Philips, Principal, the students of Indian River High School have realized many of the challenges they faced.

Mrs. Elizabeth B. Hanbury, Assistant Principal for instruction, counseled both students and teachers, as well as developed a curriculum of studies that gave us a sound background for future endeavors.

Mr. Theophilus Lawton, Mr. Wayne Petterson and Mr. Rick West are Assistant Principals. These men shared the responsibility of applying discipline, and checking attendance. Mr. Fred Pulley co-ordinates night school.

Those busy ladies who lightly touched the typewriter keys and pleasantly answered the telephones were the efficient secretaries at Indian River.

Yesterday, Today

The informal yet academic atmosphere of the Media Center encouraged the students to take advantage of its modern facilities. Media programs helped the students as they prepared to function in society.

The Social Studies Department of Indian River High endeavors to compliment the overall curriculum of the school by means of exploring the ideas, institutions and interactions of mankind within a framework of the social-related disciplines.

The faculty desires not only to instill the fundamental, social, historical and governmental concepts within each student but also a sense of responsibility and self-reliance to the end that society as a whole will be benefitted.

Math Aids In Technical Careers

Engineers? Technicians? Accountants? Who knows what will become of the students that graduate from Indian River with a great mathematical knowledge. The teachers in the department taught students the basic fundamentals of mathematics. These concepts were taught not only to students planning to enter a higher institute of learning after graduation, but also to those who wish to understand the everyday math needed to carry out an ordinary day. The overall goal this department set for their students was to prepare them with the necessary mathematical needs to help them establish their future careers.

Science Careers

The Science Department consists of the following disciplines: biology, chemistry, physics, and senior science research studies. These studies afford students with opportunities to pursue careers in such fields as police science, aerospace technology, clinical and field biology and chemistry.

It is the aspiration of the Science Department to fulfill the varied needs of its students, whether the student's desire is a terminal, non-college bound course of science instruction or a college preparatory course of science instruction, the needed courses are available.

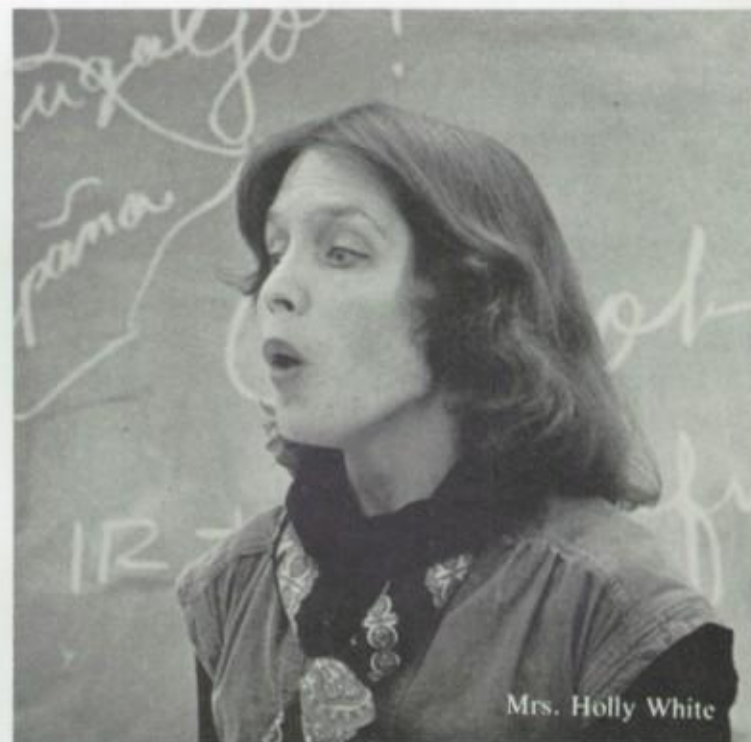

Arts Refine Skills

This school year was another active one for the I.R. Music Department. The band and chorus presented many enjoyable concerts. The Music Department entered its students in many competitions and won numerous awards. Innovations and enthusiasm truly account for the department's success.

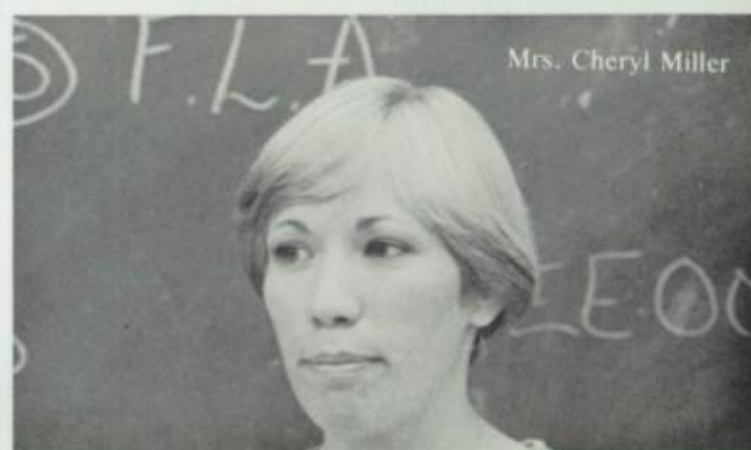

The Foreign Language Department not only placed emphasis on Spanish, French, and German as languages, but also continued their policy of teaching the customs, values, and cultures of the countries.

The Art Department promotes an opportunity for all its students to discover how art affects them individually in their everyday lives.

Learning New Skills

The Home Economics Department is growing and expanding, offering something for everyone. Students may select from a variety of eight choices that include: Family Living, Homemaking 2, Marriage, Child Development, Home Furnishings, Foods and clothing, Singles Living and Child Care.

The child care program provided parents an opportunity to enroll pre-school children into a well-planned training program.

The Industrial Arts Department provided many students with marketable skills as well as with training that would lead to apprenticeship programs.

The communications classes were always busy printing programs for school sports and other activities in the school.

Indian River's study hall did more than provide a place for study. Students could learn word games, how to crochet and other useful pastime activities that became hobbies for many of the students.

The Business Department provides training for students to develop vocational skills and necessary to succeed in office jobs, as well as in personal business. The department trains students to be secretaries, stenographers, clerk typist, and bookkeepers.

The Distributive Education and Industrial Cooperative Training Departments train the students how to work and inform them about job opportunities. I.C.T. is a form of vocational education which uses resources of the school and business community to make future leaders. D.E. prepares youths for employment in distribution and develop future leaders for marketing and distribution.

They also participated in the Veteran's Day Parade and the Portsmouth and Great Bridge Christmas Parades. The highlight of their social activity was the Military Ball for all the Chesapeake AFJROTC.

English Leads The Way

Believing that effective communication is necessary for success and happiness, the English Department works to promote students' improvement in using the English language for utilitarian purposes and for employment.

The Department teaches the student body how important it is to use words effectively, be it through oral or written expression.

Special Services

Mr. Gometz assists several students to class everyday. He is always there to admit students to and from class.

The students, administration and faculty realize that the work of the special service people is excellent. They communicate with students, teachers, and improve the relationship between the police and the community.

The nurse, Mrs. Kinstler, is very helpful to the students. She heals the sick and encourages the well to remain healthy.

The visiting teacher provides a communication link between school and home for students experiencing problems in attendance.

The Custodian staff and Cafeteria staff are essential to I.R. The custodians assist teachers and students day in and day out. Their services are unique and irreplaceable.

The Cafeteria staff is also important to I.R. They serve the hungry braves nutritious foods everyday. The two lunch periods are the best periods of I.R.

INDIAN RIVER HIGH SCHOOL

Acknowledgement

As the final deadline of the **Sequoyah** was mailed in March, a wave of relief was felt by the entire staff. Each individual devoted time and energy to produce a first-rate annual. Every day one could find some member of the staff working diligently during the sixth bell, before or after school, or on weekends. Our guiding light during the preceding seven months was Mrs. Duke, our sponsor. Not only did she sacrifice her time and effort, but she taught us the techniques necessary to publish a school annual. And her calmness during last-minute emergencies was a welcome change from our always-irate editor. For his efforts in managing the business of financing, we are grateful to Mr. Neidner.

McIntosh Studios proved to be extremely helpful in photographing our students and getting our pictures to Military Circle. Out Photographers,

Elliott Torn and Steve Lanning, were always available when we needed them. Our most helpful assistant was Mrs. Evie Owens at the McIntosh lab. It was she who set up our photography sessions, checked Senior portraits, and rushed our pictures to us so that we would meet our deadlines on time. A special thanks goes to our student photographer, Jay Rust and our yearbook representative, Mr. John Perry.

Surely one cannot forget our own faculty, without whose help this book could never have been published. It was the teachers and administrators who allowed the staff to get out of class to help the photographers or to work on layouts. It was they who allowed the staff to leave school at sixth bell to get ads, and to use the building on nights and weekends. The faculty also permitted us to disrupt their classes and to

remove their students for our pictures. It is with deep appreciation that the staff wishes to thank each and every person who contributed to this book.

Libby,

High, how are you doing?
Just think I'll be out of
school & you'll be here
next year. It's been
really neat getting to
know you these past
few years. You gotta
real personality. Stay
crazy and you'll do
fine in the years to
come. If you get down to Florida
anytime look me up & maybe we
can get together.

Take it easy on Coney
You can get it.
Friends 4-ever
Becky
Rope

Libby,
I've known you for such
a very long time - but we
haven't kept in touch. I hope
to be seeing you over the summer
(and Sandbridge) and in the years
to come. I wish you all the luck in
the world! Stay sweet & crazy!

Love

P.S. HAPPY BUT
PARTY HARDY

Remember: friends 4-ever,
The morning after will be painful
of GRACE
the night before was calm!

Sibly,

I can't tell you how glad I am that we've had some room together this year and that we've had the choice to become friends. I really feel like we've not only become friends but good friends. You've got an outstanding personality (very crazy) and you deserve the best of everything, and I'm not just saying it cause I really mean it! I pray that you'll

keep the wonderful personality you have and always remember our homeroom class and all the gossiping we've done! (I hope we haven't ruined anyone's reputation) Oh well, you take care of yourself and I'll hope to see you next year as crazy as ever. Good luck with whatever you want luck with.

God
bless
you!

Forever
Friends,
Beth

Libby
 It's been a great year.
 I am so glad to be
 getting out of here. I wish
 you all kinds of luck
 in the future. Have a good
 year next year, & (try) to
 be good!

Love,
 Sue
 SK

Sibby,

It's been a long year,
and now it's finally
over! It's really been
fun getting back good
friends again this
year in Mr. Bryant's
homeroom. I hope that
next year we will
become even better
friends. Remember all
the crazy things
Mr. Bryant told us.
I hope you get every-
thing you want out
of life! Hope to see
ya sometimes this
summer (I mean we
live so far away
from each other ^{HA HA})
Have fun & Be Good
and take Care!

Stay
Happy

Great
Friends,

Cathy
Gray

Libby,

Hi ya. Too bad you're
got to stay here next year.
But, it won't be much better
for me I'll be in college, but,
that just means more better
looking guys in my age range
(18-26). Don't worry I'll put
in a few good words for you.
As a matter of fact I might
bring you one home. Of course
if your motto is like mine
its "more the merrier". We've
had some wild times in this
class especially some of our
conversations. Hope to see
you some in the summer.
Good luck in the future bye.

Friends always

Michelle
'79'

Don't worry if your work is
hard and rewards are few the
mighty oak was once a nut like
you. Don't go kissing by the
garden gate for love may be
blind but the neighbors ain't

Libby
Hope to see you the next
summer but the best of
luck to you. I'll be
there when you're home
and I wish you the best of
luck in the future.
Love always
Michelle '79'

It has been a
dull year. I
have written
that in every-
one's year book,
because it is
the truth. Well
it was really
nice to get to
know you better
this year. Hope
we pass this
dull history class,
she gives so many
quizzes. Hope to see
you over the summer.

Libby,
I'm glad we
got to be good
friends after all
on. I hope that you
David back, because
love him! If you do, don't
let him hurt you, because
you deserve better! And basbids
I don't want to see you mistreated
by anyone! Remember me if you need
a friend I move, but friends will always be
when I probably David, you may meet! and in who-
ever you do! Betty Hardy, but don't get caught!
Love ya,
Laura
Love of the sisters!

Libby, great
it was to know
getting to know
you. I hope you
have a good summer.

Libby,
It's been a great
year. It's a wonder
we all made it
through! Well, what
else can I say?
Have a great
summer & behave

Libby Jean

I don't know what to say.
I hope we continue to always
be friends. I am glad we got to
be good friends. I hope I can
go to the trailer. I sure we will
all have a good time. Hey I know
there was arguing and fighting but
there was also the funny laughing
times. Remember the picnic? We
sure had some laughs that day. I
hope that one day everything
will turn back to normal. Well
I doubt it. I will always
remember you and want you to
know I will be there if you
ever need me. I hope for the
future there will be a lot more
laughs and no more fights.
